

FSM ONPA PRESS RELEASE

STRENGTHENING HUMAN RESOURCE MANAGEMENT CAPACITY FOR SAIS

The FSM National Public Auditors office is one of the nine Supreme Audit Institutions (SAIs) in the Pacific region participating in the HR Champions Program. The program is developed by PASAI, regional experts, and in collaboration with the Swedish National Audit Office.

One of the goals of the program is to strengthen SAI's human resource capacity and improve SAIs approaches to managing its capabilities. Through participation in the HR Champions Program, SAIs will gain valuable insights in HR subject-related matters and expand their professional networks.

The program spans a duration of one and a half years and covers six modules. The program incorporates a combination of in-person meetings, online teaching materials, and coaching provided by skilled facilitators and experts.

The first in person meeting took place in Suva, Fiji starting May 2- 11, 2023. The FSM National Public Auditors office extends its congratulations and best wishes to Midson Tom and Franny Johnny, who have been selected to participate in this esteemed program. ONPA also give its special thanks and appreciation to PASAI and the facilitators for the informative workshop and we are very grateful for the opportunity to be part of the program.
