---

The process of engaging external auditor(s) for the Fiscal Year 2024 FSM Wide Single Audits of the Five Primary Governments and their component units began in the middle of last year. The Request for Proposals (RFP) was officially published across various media platforms and distributed to established and known Certified Public Accountant firms on September 25, 2024. Interested CPA firms had until November 1, 2024, to submit their proposals. After all submissions were received, the RFP Review Committee convened to thoroughly evaluate and assess each bid before selecting the auditor(s). The Fiscal Year 2024 FSM Wide Single Audits have been awarded to Ernst & Young LLP, BCM LLC dba Burger Comer & Associates, and Shinoda CPA.
