Palikir, Pohnpei | November 13, 2025 | 9:00 a.m. – 5:00 p.m.

The Office of the National Public Auditor (ONPA) assisted SDA Senior Marlishia Dungawin, with her Career Shadowing Project aimed to provide first-hand exposure to the operations and functions of the ONPA.

The day began with welcome and opening remarks from Public Auditor Haser Hainrick, followed by a meet and greet session with the ONPA staff. After a short break and group photo, the student participated in an orientation session led by the Corporate Service (CS) Manager, covering ONPA's mandate, structure, and roles. Following lunch, the afternoon was dedicated to departmental observations, where Ms. Dungawin spent time with the Compliance Investigation Division (CID),

Audit, and CS teams. The day concluded with an observation session alongside the Public Auditor, offering a comprehensive view of ONPA's oversight and accountability functions.

This program reflects ONPA's commitment to educational engagement and professional development, fostering awareness of public accountability among future leaders of the Federated States of Micronesia.
