

Ankie Mendiola (Duke) is the New IT Specialist

On September 19, 2012, the Office of the National Public Auditor welcomed a new employee, Mr. Ankie Mendiola, as the next Information Technology Specialist. He is also known as Duke, and he's residing in Sokehs, Pohnpei. The work of an IT specialist involves, among others, the development, management, maintenance, and use of computer-based information and hardware systems.

After receiving his diploma from Pohnpei Island Central School in 2005, he attended the College of Micronesia- FSM and received his associate degree of Science in Computer Information System in 2012.

Prior to filling the position at ONPA, he was employed at the FSM Department of Resources and Development in 2011 under the work study program as a student at COM-FSM and later at the Department of Social Affairs, Pohnpei State Government in 2009. In 2007 to 2008, he worked as an assistant installer at HMSA in Honolulu, Hawaii. In 2006 to 2007, he worked as a Service Clerk/ Stocker/ Cashier at Wal-greens in Honolulu, Hawaii.
